IDEAYA Biosciences to Present at the 36th Annual J.P. Morgan Healthcare Conference

SAN FRANCISCO and SAN DIEGO, Jan. 5, 2018 /PRNewswire/ -- IDEAYA Biosciences, an oncology-focused biotechnology company committed to the discovery of breakthrough small-molecule synthetic lethality and immuno-oncology therapies, today announced that Yujiro S. Hata, chief executive officer of IDEAYA, will present at the 36th Annual J.P. Morgan Healthcare Conference in San Francisco at 1:30 p.m. PT on Wednesday, January 10.

About IDEAYA Biosciences

IDEAYA is an oncology-focused biotechnology company committed to the discovery of breakthrough synthetic lethality medicines targeting DNA damage and repair for genetically defined patient populations and for enhancing immunotherapy response, and immuno-oncology therapies targeting the tumor micro-environment. IDEAYA, located in South San Francisco and San Diego, California, has assembled leading scientists and advisors with extensive knowledge and expertise in cancer biology and small molecule drug discovery.
