IDEAYA Biosciences Investor R&D Day
Monday, December 4th, 2023 at 8:00 AM ET

- The IDEAYA Investor R&D Day will include participation from GSK and a key opinion leader that will showcase scientific insights and clinical development opportunities across IDEAYA's synthetic lethality pipeline, including IDE397 (MAT2A) in Phase 2, IDE161 (PARG) in Phase 1, and the GSK partnered programs. In addition, IDEAYA will highlight its next generation initiatives in MTAP-deletion, including a wholly-owned program where a development candidate nomination is targeted in 2024, further advancing IDEAYA's multi-pronged strategy.
- Pre-registration will be available through IDEAYA's investor relations events page at https://ir.ideayabio.com/events

A live audio webcast of conference events, as permitted by conference host, will be available at the "Investors/News and Events/Investor Calendar" section of the IDEAYA website at https://ir.ideayabio.com/events. A replay of available webcasts will be accessible for 30 days following the live event.

About IDEAYA Biosciences

IDEAYA is a precision medicine oncology company committed to the discovery and development of targeted therapeutics for patient populations selected using molecular diagnostics. IDEAYA's approach integrates capabilities in identifying and validating translational biomarkers with drug discovery to select patient populations most likely to benefit from its targeted therapies. IDEAYA is applying its early research and drug discovery capabilities to synthetic lethality – which represents an emerging class of precision medicine targets.
